Q: I am a G line owner, will my G line battery and bag fit on my C/ P line?

A: Not as it is. you will need an adapter frame to go in your bag

Q: I am a C/P line owner, will my C line battery and bag fit on my G line

If you are a **Greenway battery owner**:

A: not as it is. you will need a specific G line frame to go in your bag

If you are a **BMZ battery owner:**

A: Not only will it not fit, the use of a BMZ battery with the G line bike will break the bike.
